

# EXPERIENCE The #1 Prism Red Light Bed IN THE WORLD

ba

Unlike traditional beds that offer limited coverage and weaker, less efficient light, the *Prism Red Light Pod* delivers superior full-body treatment with 360-degree coverage for maximum benefits!

## Benefits

### **Skin Conditions and Anti-aging:**

- Reduces wrinkles, and improves skin tone and conditions, such as Psoriasis, Acne, Eczema, and dermatitis

### **Weight Loss:**

- Lose inches by shrinking unwanted fat cells

### **Chronic Pain Management:**

- Reduces inflammation, nerve damage, and autoimmune conditions.

### **Sport Rehab & Recovery:**

- Accelerated healing of ligaments, tendons, muscles, stiffness, and soreness

### **Wound and Injury Healing:**

- Accelerates healing of sprains, strains, open wounds, and post surgical procedures

### **Arthritis & Joint Pain:**

- Light penetrates down to the bone to soothe arthritis including Rheumatoid & Osteoarthritis, and disk degeneration.

## Why Prism Red Light Pod is the Superior Choice:

- Safe, Comfortable, Non-invasive
- Non-fluorescent, No UV Rays
- 4-10x Faster Recovery by penetrating muscles, tissues, nerves, body cells, and mitochondria wellness
- 360-Degree Full Body Coverage
- Fully automated with six optimized irradiance settings
